

EARLY YEARS EDUCATION TOURS

LET YOUR KINDERGARTEN TO
YEAR 2 STUDENTS EXPLORE ONE
OF SOUTH AUSTRALIA'S OLDEST
COLONIAL BUILDINGS

Our Early Years Education Tours are kinesthetic, play-based activities where students participate in Adelaide Gaol's 'Guard in the Yard' (it's our take on the Christmas 'Elf on the Shelf'). Children follow a magical puppet guard who hides in each yard and tells them interesting things about the gaol.

'Guard in the Yard' leads students to storytime 'Gaol Tales' and a box of museum artefacts they explore with gaol staff.

Tours have been developed following the Australian National Curriculum
